

THE CWL VOICE

One heart, one Voice, one Mission – We are called to action!

Provincial - "Joyfully Serving the Lord".

NOTE FROM THE PRESIDENT

Hello ladies,

As we prepare to wind-up our CWL year for the summer break, I am very grateful to all of you members who have gone beyond the call of duty to make it such a successful year so far. To my executive members, who are angels from heaven, words cannot express how grateful I am to you for taking over during my recuperation from knee surgery. From the bottom of my heart "THANK YOU!"

To Cheryl Harper in Saskatchewan, who is our Newsletter Publisher and Co-Secretary; we miss you and appreciate you working on this project while you are away. We all look forward to seeing you in the fall.

I look forward to seeing many of you at the "2 Hour Prayer Service" on May 12th and of course at our Wind-Up Dinner on May 19th. It is always a wonderful time when we can all come together and pray together and of course, have fun together. All of this is good for the soul.

May God Bless you and may Our Lady of Good Council watch over you.

Your President, Cindy

LEAGUE PRAYER

We humbly pray You,
O God our Father, to bless
The Catholic Women's League of
Canada.

Bless our beloved country,
our homes and families.
Send Your Holy Spirit upon us
to give light to our minds
and strength to our wills
that we may know and fulfil
Your great law of charity.
Teach us to share with others
at home and abroad,
the good things You have given
us.

This we ask through our Lord
Jesus Christ
and the intercession of our
patroness,
Our Lady of Good Counsel. *Amen*

Matercare

Remember ladies to donate your Canadian Tire money and Airmiles to Matercare if you are so inclined. This helps the staff to travel to Africa and helps prevent pregnancy related deaths of young girls in third world countries. Canadian Tire money can be deposited in the box at the church entrance. The Airmiles # to quote when you are making purchases is: **1 800 729-6378**. It might be handy to write this number down and put it in your wallet or use a label and stick it on your Airmiles card.

Thanks you for your support.

100th Anniversary of CWL 2020

An ad hoc committee has been set up to plan this very special year. There will be a contest for the design of a commemorative pin, lap quilts, etc. Every year a special event is planned like a CWL train trip coming from the east and the west of Canada to Winnipeg for the 2018 national convention, then in 2019 there will be a coffee table book rolled out, in 2020 we will have a commemorative stamp hopefully and possibly a bus tour of the St. Lawrence shrines. There will be a supplement to the League magazine on honorary life members. Plus many, many more great ideas.

On A Lighter Note

Do you ever get frustrated with those medical terms that doctors, nurses and technologists throw around? Well, here's a lay person's interpretation of some of them.

ARTERY: The study of painting

BACTERIA: Don't worry, it just means the back entrance to the cafeteria

IMPOTENT: Okay this is worthy of attention

CAUTERIZE: Nothing drastic....he just made eye contact with her

RECTUM: Damn near killed him!

TUMOR: An additional two

URINE: Opposite of "Yer Out"
